

February 5, 2024

Hello,

The Trinity Foundation was founded in 2005 by Trinity Logistics team members to funnel and organize our community efforts. Trinity Logistics believes strongly in giving back to the community. This belief, coupled with our deeply rooted Guiding Values, led to the creation of the Trinity Foundation. This foundation enables us to be federally recognized as a truly independent and not-for-profit organization.

Our purpose is to continually improve people's lives by serving and investing in our community to promote wellness, inspire giving, and influence our future leaders.

There are three core focus areas of our Foundation efforts, including supporting our local community, youth leadership development, and health and wellness. The events, fundraisers, and donations of time and money all support furthering the vision set forth by our collective interests.

Each year, The Trinity Foundation offers Servant Leadership Scholarships to graduating high school seniors. The purpose of the Servant Leader scholarship is to give young people – the leaders who will build and shape our communities while displaying Servant Leadership – every opportunity to be prepared for the future. Servant Leadership is a way of life that influences, models, supports, and encourages people to serve others first. It is a way to personally develop and pursue excellence in every area of life. We strive to engage youth in their communities to continuously improve their self-esteem, develop a sense of citizenship and an ethic of service, and become stronger leaders of our future.

To continue investing in future leaders within our communities, we invite the graduating seniors at your school to submit the attached Servant Leader Scholarship Application. All applications must be postmarked or emailed no later than **April 5th, 2024**. Requirements for the application process can also be found on the attached sheet.

We look forward to reading about our young community leaders through their applications. Please reach out if any questions arise.

Warmest regards,

Amanda Lloyd
Director, The Trinity Foundation
50 Fallon Ave.
Seaford, DE 19973

Our Mission:

To continually improve people's lives by serving and investing in our community to promote wellness, inspire giving and influence our future leaders.
